10. New Business:

TASMA Membership

Membership has been dropping in recent years. Determine how to send an email to all coordinated repeater owners to encourage joining TASMA. There are over 300 coordinated repeaters. Further discussion on this topic will take place during the Technical Committee meetings.

Repeater Coordination Updates

Need to determine how to implement periodic repeater coordination updates. Technical committee will discuss this further.

Ham Events

In the past TASMA has attended Ham events in the local area and in some cases set up a booth. Need to determine the feasibility of doing that again.
